# Microsoft Forms: Step 2

The screenshot shows a Microsoft Forms interface with the following details:

- Title:** FeedbackFormDemo1
- Description:** Your feedback is valuable to us.
- Questions:**
  1. Your Experience about Content Delivery
    - Excellent
    - Good
    - Fair
    - Poor
  2. Your Experience about Online Platform(MSTEAM)
    - Excellent
    - Good
    - Fair
    - Poor
  3. Your Experience about Internet Bandwidth Stability
    - Excellent
    - Good
- Responses:** A large, empty white area labeled "Responses".

# Microsoft Forms: Step 3

The screenshot shows the Microsoft Forms interface for creating a survey. The left sidebar lists 'Forms Pro' and 'FeedbackFormDemo1 - Saved'. The main area displays a survey with five questions:

- Questions**:
  - 1. Your satisfaction level:  
Good (radio button)
  - Fair (radio button)
  - Poor (radio button)
- Responses**: (Empty)
- 3. Your Experience about Internet Bandwidth Stability**:
  - Excellent (radio button)
  - Good (radio button)
  - Fair (radio button)
  - Poor (radio button)
- 4. Overall Experience**:
  - 1 (radio button)
  - 2 (radio button)
  - 3 (radio button)
  - 4 (radio button)
  - 5 (radio button)
- 5. Any Comment**:  
Enter your answer (text input field)

At the bottom left is a green button labeled '+ Add new'. The top navigation bar shows tabs for Microsoft Forms Pro, Mail, Power Automate, and a feedback survey report, along with standard browser controls.

# Power BI: Step 4

Get data

The screenshot shows the Microsoft Power BI home page. On the left, there's a sidebar with navigation links like 'Home', 'Favorites', 'Recent', 'Apps', 'Shared with me', 'Learn', 'Workspaces', and 'My workspace'. Below that is a 'Get data' button. The main area has a greeting 'Good evening, Ramchandra'. It features a 'Favorites + frequent' section with tiles for various reports and workbooks. Below that is a 'Recents' section showing recently accessed items. At the bottom, there's a navigation bar with icons for back, forward, search, and other functions.

# Power BI: Step 5

The screenshot shows the Microsoft Power BI workspace interface. The top navigation bar includes links for Microsoft Forms Pro, Mail, Power Automate, and Power BI. The main area displays a list of datasets under 'My workspace'. A context menu is open over the second dataset, listing options: Dashboard, Report, Dataset, and Streaming dataset.

# Power BI: Step 8

The screenshot shows the Microsoft Power BI workspace interface. On the left, there's a sidebar with navigation links like Home, Favorites, Recent, Apps, Shared with me, Learn, Workspaces, and My workspace (which is currently selected). The main area displays a list of datasets: Customer Profitability Sample and IT Spend Analysis Sample. A search bar is at the top. To the right, a modal dialog is open titled "New streaming dataset". It contains instructions to "Create a streaming dataset and integrate our API into your device or application to send data." Below this, a "Dataset name" field is filled with "FeedbackFormDemo1". Under "Values from stream", there are five fields: "Your Experience about Content Delivery" (Text), "Your Experience about Online Platform(MSTEAM)" (Text), "Your Experience about Internet Bandwidth Stal" (Text), "Overall Experience" (Text), and "Any Comment" (Text, which is highlighted with a yellow border). At the bottom of the dialog are "Back", "Create" (highlighted in yellow), and "Cancel" buttons.

# Power BI:Step 9

The screenshot shows the Microsoft Power BI interface. In the top navigation bar, there are tabs for "Microsoft Forms Pro | My forms", "Mail - Ramchandra Mangulkar - Outbox", "Edit your flow | Power Automate", and "Power BI". Below the navigation bar, the URL "app.powerbi.com/groups/me/list/dashboards" is visible. The main area has a dark header with "Power BI" and "My workspace" buttons. On the left, a sidebar menu includes "Home", "Favorites", "Recent", "Apps", "Shared with me", "Learn", "Workspaces", and "My workspace" (which is currently selected). The main content area displays a search bar and tabs for "Dashboards", "Reports", "Workbooks", and "Datasets". Below these tabs is a table with columns "NAME ↑" and "ACTIONS". Two datasets are listed: "Customer Profitability Sample" and "IT Spend Analysis Sample". To the right, a modal window titled "New streaming dataset" is open. It contains three input fields: "Overall Experience" (Text type), "Any Comment" (Text type), and "Enter a new value name" (Text type). A large text area shows sample data: "Your Experience about Content Delivery": "AAAAA55555", "Your Experience about Online Platform(MSTEAM)": "AAAAA55555", "Your Experience about Internet Bandwidth Stability": "AAAAA55555", "Overall Experience": "AAAAA55555", and "Any Comment": "AAAAA55555". Below the text area, a switch labeled "Historic data analysis" is set to "Off". At the bottom of the modal are "Back", "Create" (highlighted in yellow), and "Cancel" buttons.

# Power BI:Step 10

The screenshot shows the Microsoft Power BI workspace interface. On the left, the navigation bar includes 'Home', 'Favorites', 'Recent', 'Apps', 'Shared with me', 'Learn', 'Workspaces', and 'My workspace' (which is currently selected). At the top, there are tabs for 'Microsoft Forms Pro | My forms', 'Mail - Ramchandra Mangulkar - O...', 'Edit your flow | Power Automate', and 'Power BI'. Below the tabs, the URL is app.powerbi.com/groups/me/list/dashboards.

In the center, there is a search bar and a list of items under 'Dashboards', 'Reports', 'Workbooks', and 'Datasets'. The 'Datasets' tab is selected. Two datasets are listed: 'Customer Profitability Sample' and 'IT Spend Analysis Sample'. The 'Customer Profitability Sample' dataset is highlighted with a blue border.

To the right, a modal dialog box is open with the title 'Streaming dataset created' and a checkmark icon. It contains the message: 'The schema for FeedbackFormDemo1 is created.' Below this, there is a 'Push URL' section with a text input field containing the URL: <https://api.powerbi.com/beta/d1f14348-f1b5-4a09-ac99-7ebf213cbc81/datasets/FeedbackFormDemo1>. Below the URL, there are three tabs: 'Raw', 'cURL', and 'PowerShell'. The 'Raw' tab is selected and displays a JSON-like schema definition:

```
[  
  {  
    "Your Experience about Content Delivery" : "AAAAAA555555",  
    "Your Experience about Online Platform(MSTEAM)" : "AAAAAA555555",  
    "Your Experience about Internet Bandwidth Stability" : "AAAAAA555555",  
    "Overall Experience" : "AAAAAA555555",  
    "Any Comment" : "AAAAAA555555"  
  }  
]
```

At the bottom right of the dialog, there is a yellow 'Done' button.

# Power BI:Step 11

The screenshot shows the Microsoft Power BI workspace interface. At the top, there are several browser tabs: "Microsoft Forms Pro | My forms", "Mail - Ramchandra Mangulkar - Outlook", "Edit your flow | Power Automate", and "Power BI". Below the tabs, the URL "app.powerbi.com/groups/me/list/datasets" is visible. The main area has a dark header with a yellow square icon, the text "Power BI", "My workspace", and various navigation icons. A search bar with the placeholder "Search..." is located above a list of items. On the left, a sidebar menu includes "Home", "Favorites", "Recent", "Apps", "Shared with me", "Learn", "Workspaces", and "My workspace" (which is currently selected). The main content area displays a list of datasets with the following details:

NAME ↑	ENDORSEMENT ACTIONS	REFRESHED	NEXT REFRESH	API ACCESS	SENSITIVITY
Customer Profitability Sample	⋮ ⚡ 🗑️ ⏪ ⏴ ⋮	7/15/2020,	N/A	--	--

# Microsoft Flow: Step 15

The screenshot shows the Microsoft Power Automate interface. On the left, there's a sidebar with navigation links: Home, Action items, My flows, Create (which is selected), Templates, Connectors, Data, AI Builder, Solutions, and Learn. The main area has a title bar "FeedbackFormDemo1Flow". Below the title bar is a search bar "Search for helpful resources". To the right of the search bar is an "Environments" dropdown set to "Shri Vile Parle Kelavani ...". There are also "Save", "Flow checker", and "Test" buttons. The main content area displays a grid of icons for various services: Flow button for mobile, PowerApps, Power Virtual Agents, Microsoft Forms, SharePoint, OneDrive for Business, Planner, Common Data Service..., RSS, Gmail, Microsoft Teams, Google Calendar, Azure DevOps, and Office 365 Outlook. Below this grid, under the "Triggers" tab, a list of triggers is shown:

- Manually trigger a flow (Flow button for mobile)
- PowerApps (PowerApps)
- When Power Virtual Agents calls a flow (Power Virtual Agents)
- When a new response is submitted (Microsoft Forms)
- When an item is created (SharePoint)
- When an item is created or modified (SharePoint)

# Microsoft Flow: Step 15

The screenshot shows the Microsoft Power Automate interface. On the left, there's a sidebar with various options: Home, Action items, My flows, Create, Templates, Connectors, Data, AI Builder, Solutions, and Learn. The 'Create' option is currently selected. In the main area, there's a step titled 'When a new response is submitted'. Below it, there's a dropdown menu labeled 'Form Id' with the placeholder 'Pick a form.' A list of available forms is displayed:

- Internship Details Computer Engineering Department (2019-20)
- ISTE Approved One Week STTP on 'Insights of Machine Learning and Deep Le...
- My Info
- SVKM's D. J. Sanghvi College of Engineering, Mumbai
- SVKM's D. J. Sanghvi College of Engineering, Mumbai New
- Test assignment
- Untitled form
- Untitled quiz
- Untitled quiz (2)
- Untitled survey

At the bottom of the screen, the URL is https://india.flow.microsoft.com/manage/environments/Default-d1f14348-f1b5-4a09-ac99-7ebf213cbc81/#.

# Microsoft Flow: Step 16

The screenshot shows the Microsoft Power Automate interface. On the left, the sidebar includes options like Home, Action items, My flows, Create, Templates, Connectors, Data, AI Builder, Solutions, and Learn. The main workspace displays a flow titled "FeedbackFormDemo1Flow". The flow consists of a single step: "When a new response is submitted" from Microsoft Forms. Below this, a modal window titled "Choose an action" is open, showing search results for "get resp". The "All" tab is selected, displaying actions categorized by service: Microsoft Forms, SharePoint, Excel Online (Business), Office 365 Outlook, Common Data Services, Microsoft Teams, and Planner. Under the "Actions" tab, three specific actions are listed: "Get response details" (Microsoft Forms), "Get items" (SharePoint), and "Get worksheets" (Excel Online (Business)).

# Microsoft Flow: Step 17

The screenshot shows the Microsoft Power Automate interface. On the left, there's a sidebar with various options: Home, Action items, My flows (which is selected), Create, Templates, Connectors, Data, AI Builder, Solutions, and Learn. The main area displays a flow titled "FeedbackFormDemo1Flow". The flow consists of two steps:

- When a new response is submitted**: This step triggers the flow whenever a new response is submitted to a form.
- Get response details**: This step retrieves details from the response. It has two inputs:
  - Form Id: FeedbackFormDemo1
  - Response Id: Response Id

At the bottom right of the flow editor, there are buttons for "+ New step", "Save", and "Test". Above the flow, the URL in the browser bar is [india.flow.microsoft.com/manage/environments/Default-d1f14348-f1b5-4a09-ac99-7ebf213cbc81/flows/new](https://india.flow.microsoft.com/manage/environments/Default-d1f14348-f1b5-4a09-ac99-7ebf213cbc81/flows/new).

# Microsoft Flow: Step 18

The screenshot shows the Microsoft Power Automate interface. On the left, a sidebar lists navigation options: Home, Action items, My flows (selected), Create, Templates, Connectors, Data, AI Builder, Solutions, and Learn. The main workspace displays a flow titled "FeedbackFormDemo1Flow". The flow consists of three steps connected by arrows:

- Step 1: When a new response is submitted (trigger)
- Step 2: Get response details (action)
- Step 3: Choose an action (action selection step)

In the "Choose an action" step, a search bar contains the text "bi". Below it, a grid of action icons is shown, with "Power BI" selected. A detailed view of the "Add rows to a dataset (preview)" action is visible at the bottom of the list.

# Microsoft Flow: Step 19

The screenshot shows the Microsoft Power Automate interface. On the left, the navigation bar includes Home, Action items, My flows, Create, Templates, Connectors, Data, AI Builder, Solutions, and Learn. The main workspace displays a flow titled "FeedbackFormDemo1Flow". A specific step, "Add rows to a dataset (Preview)", is highlighted with a yellow border. This step has the following configuration:

- \* Workspace: My Workspace
- \* Dataset: FeedbackFormDemo1
- \* Table: RealTimeData
- Payload: (empty)

Below the step, there are buttons for "+ New step" and "Save". To the right, a sidebar titled "Dynamic content" lists several items:

- Add dynamic content from the apps and connectors used in this flow.
- Dynamic content
- Expression
- Search dynamic content
- Get response details
- Your Experience about Content Delivery  
Answer to the question above
- Your Experience about Online Platform(MSTEAM)  
Answer to the question above
- Your Experience about Internet Bandwidth Stability  
Answer to the question above
- Overall Experience  
Answer to the question above
- Any Comment

# Microsoft Flow: Step 20

The screenshot shows the Microsoft Power Automate interface. On the left, the navigation bar includes Home, Action items, My flows, Create, Templates, Connectors, Data, AI Builder, Solutions, and Learn. The main area displays a step titled "FeedbackFormDemo1Flow". The step details are as follows:

- \* Workspace: My Workspace
- \* Dataset: FeedbackFormDemo1
- \* Table: RealTimeData
- Payload:

```
[{"Your Experience about Content Delivery": "AAAAAA555555", "Your Experience about Online Platform(MSTEAM)": "AAAAAA555555", "Your Experience about Internet Bandwidth Stability": "AAAAAA555555", "Overall Experience": "AAAAAA555555", "Any Comment": "AAAAAA555555"}]
```

Below the step, there are buttons for "+ New step" and "Save". To the right, a sidebar titled "Add dynamic content from the apps and connectors used in this flow" is open, showing tabs for "Dynamic content" (selected) and "Expression". A search bar at the bottom of the sidebar says "Search dynamic content".

# Microsoft Flow: Step 21

The screenshot shows the Microsoft Power Automate interface. On the left, there's a sidebar with options like Home, Action items, My flows, Create, Templates, Connectors, Data, AI Builder, Solutions, and Learn. The main area is titled "FeedbackFormDemo1Flow". A specific step is highlighted with a yellow border, titled "Add rows to a dataset (Preview)". This step has the following configuration:

- \* Workspace: My Workspace
- \* Dataset: FeedbackFormDemo1
- \* Table: RealTimeData
- Payload:

```
[  
{"Your Experience about Content Delivery": "Your Experience", "Your Experience about Online Platform(MSTEAM)": "Your Experience", "Your Experience about Internet Bandwidth Stability": "Your Experience", "Overall Experience": "Overall Experience", "Any Comment": "Any Comment"}]
```

Below the step, there's a button "Add dynamic content from the apps and connectors used in this flow". At the bottom of the step card, there are buttons for "+ New step", "Save", "Dynamic content", and "Expression".

# Microsoft Flow: Step 22

The screenshot shows the Microsoft Power Automate interface. On the left, a sidebar lists various options: Home, Action items, My flows (selected), Create, Templates, Connectors, Data, AI Builder, Solutions, and Learn. The main workspace displays a flow titled "FeedbackFormDemo1Flow". The flow consists of a single step: "Add rows to a dataset (Preview)". This step has three inputs: "Workspace" set to "My Workspace", "Dataset" set to "FeedbackFormDemo1", and "Table" set to "RealTimeData". The "Payload" input contains the following JSON-like data:

```
[{"Your Experience about Content Delivery": "Your Experience...", "Your Experience about Online Platform(MSTEAM)": "Your Experience...", "Your Experience about Internet Bandwidth Stability": "Your Experience...", "Overall Experience": "Overall Experience...", "Any Comment": "Any Comment"}]
```

At the bottom of the workspace are buttons for "+ New step" and "Save". To the right of the workspace is a "Flow checker" panel with sections for "Errors (0)" and "Warnings (0)". A "Close" button is located in the top right corner of the flow editor.

# Microsoft Flow: Step 23

The screenshot shows the Microsoft Power Automate interface. On the left, the navigation bar includes 'Home', 'Action items', 'My flows' (selected), 'Create', 'Templates', 'Connectors', 'Data', 'AI Builder', 'Solutions', and 'Learn'. The main workspace is titled 'FeedbackFormDemo1Flow'. A central step is 'Add rows to a dataset (Preview)'. The configuration shows 'Workspace' set to 'My Workspace', 'Dataset' set to 'FeedbackFormDemo1', and 'Table' set to 'RealTimeData'. The 'Payload' field contains the following JSON:

```
[{"Your Experience about Content Delivery": "Your Experience", "Your Experience about Online Platform(MSTEAM)": "Your Experience", "Your Experience about Internet Bandwidth Stability": "Your Experience", "Overall Experience": "Overall Experience", "Any Comment": "Any Comment"}]
```

At the bottom of the workspace are buttons for '+ New step', 'Save', and a 'Run' button. The top of the screen shows browser tabs for 'Microsoft Forms Pro | My forms', 'Mail - Ramchandra Mangulkar - Outlook', 'Edit your flow | Power Automate', 'Power BI', and a new tab indicator. The address bar shows the URL 'india.flow.microsoft.com/manage/environments/Default-d1f14348-f1b5-4a09-ac99-7ebf213cbc81/flows/new'. The top right corner includes environment information ('Shri Vile Parle Kelavani ...'), user initials ('RM'), and icons for 'Save', 'Flow checker', 'Test', and a question mark.

# Power BI: Step 24

The screenshot shows the Microsoft Power BI interface. On the left, there's a sidebar with navigation links: Home, Favorites, Recent, Apps, Shared with me, Learn, Workspaces, and My workspace (which is currently selected). The main area displays a list of datasets under the 'Datasets' tab. The datasets listed are: Customer Profitability Sample, Feedback Analysis, FeedbackFormDemo1, IT Spend Analysis Sample, and NewFeedbackSurvey. Each dataset has a preview icon, a refresh button, and a three-dot menu. A search bar is at the top of the list.

**Edit streaming dataset**

The right side of the screen shows a modal dialog titled "Edit streaming dataset". Inside, there are three input fields:

- Overall Experience: Text
- Any Comment: Text
- Enter a new value name: Text

Below these fields is a code editor containing JSON-like data:

```
[  
  {  
    "Your Experience about Content Delivery" : "AAAAAA555555",  
    "Your Experience about Online Platform(MSTEAM)" : "AAAAAA555555",  
    "Your Experience about Internet Bandwidth Stability" : "AAAAAA555555",  
    "Overall Experience" : "AAAAAA555555",  
    "Any Comment" : "AAAAAA555555"  
  }  
]
```

Below the code editor is a toggle switch labeled "Historic data analysis" which is set to "On". At the bottom of the dialog are three buttons: "Back", "Done" (which is highlighted in yellow), and "Cancel".

# Power BI: Step 25

The screenshot shows the Microsoft Power BI web interface. At the top, there are browser tabs for "Microsoft Forms Pro | My forms", "Mail - Ramchandra Mangulkar - Outlook", "Edit your flow | Power Automate", and "Power BI". Below the tabs, the URL is [app.powerbi.com/groups/me/list/datasets](https://app.powerbi.com/groups/me/list/datasets). The main header includes a "New look off" toggle, a search bar, and various navigation icons.

The left sidebar contains links for Home, Favorites, Recent, Apps, Shared with me, Learn, Workspaces, and My workspace (which is currently selected). A "Get data" button is at the bottom of the sidebar.

The main content area has a search bar and tabs for Dashboards, Reports, Workbooks, and Datasets (which is selected). It displays a list of 5 items:

NAME ↑	ENDORSEMENT ACTIONS	REFRESHED	NEXT REFRESH	API ACCESS	SENSITIVITY
Customer Profitability Sample	... (with icons)	7/15/2020,	N/A	--	--
Feedback Analysis	... (with icons)	7/20/2020,	N/A	Hybrid	--
FeedbackFormDemo1	... (with icons, including a "Create report" button)	7/20/2020,	N/A	Hybrid	--
IT Spend Analysis Sample	... (with icons)	7/16/2020,	N/A	--	--
NewFeedbackSurvey	... (with icons)	7/20/2020,	N/A	Hybrid	--

The bottom status bar shows the URL <https://app.powerbi.com/groups/me/list/datasets> and navigation icons.

# Power BI: Step 26

The screenshot shows the Microsoft Power BI interface with the following elements:

- Top Bar:** Microsoft Forms Pro | My forms, Mail - Ramchandra Mangulkar - Outbox, Edit your flow | Power Automate, Power BI.
- Address Bar:** app.powerbi.com/groups/me/datasets/55f17ad9-a10b-464b-b3b3-c8fb30926420
- Header:** Power BI, My workspace > FeedbackFormDemo1, File, View, Reading view, Mobile layout, Ask a qu..., Text, S..., Bu..., Visual inter..., Ref..., Duplicate thi..., ...
- Left Sidebar:** Home, Favorites, Recent, Apps, Shared with me, Learn, Workspaces, My workspace.
- Filters Panel:** Search, Filters on this page (Add data fields here), Filters on all pages (Add data fields here).
- Visualizations Panel:** Search, RealTimeData (Any Comm...), Overall Exp..., Your Experi..., Your Experi..., Your Experi... (selected).
- Fields Panel:** Search, DRILL THROUGH (Cross-report, Off, Keep all filters, On), Add drill-through fields here.
- Bottom Navigation:** Get data, Page 1, +, navigation icons.

# Power BI: Step 27

The screenshot shows a Microsoft Power BI workspace titled "FeedbackFormDemo1". On the left, the navigation pane includes "Home", "Favorites", "Recent", "Apps", "Shared with me", "Learn", "Workspaces", and "My workspace". The main area displays a clustered column chart with three bars per category. The Fields pane on the right is open, showing the "Clustered column chart" section with options for Filters, Axis, Legend, Values, Tooltips, DRILL THROUGH, Cross-report, and Off. A search bar at the top of the Fields pane shows the query "RealTimeData". The Fields pane also lists several data fields under "RealTimeData": Any Comm... (selected), Overall Exp..., Your Experi..., Your Expen..., and Your Experi... (selected). The bottom of the screen shows navigation icons for back, forward, and search.

# Power BI: Step 28

The screenshot shows a Microsoft Power BI workspace titled "FeedbackFormDemo1". On the left, the navigation pane includes "Home", "Favorites", "Recent", "Apps", "Shared with me", "Learn", "Workspaces", and "My workspace". The main area displays a visualization titled "Count of Your Experience about Content Delivery by Year". A context menu is open over this visualization, listing "Filters", "VISUALIZATIONS", and "FIELDS". The "FIELDS" section shows a list of fields under "RealTimeData", including "Any Comm...", "Overall Exp...", "Your Experi...", "Your Experi...", and "Your Experi...". The "VISUALIZATIONS" section shows various chart icons. The "Filters" section lists "Count of Your Experience..." and "Your Experience about ... is (All)". The "Values" section shows "Count of Your Experience..." and "Add data fields here". The "Tooltips" section shows "Add data fields here". The "DRILL THROUGH" section is currently set to "Off". The bottom of the screen shows navigation buttons for "Page 1" and "Get data".

# Power BI: Step 29

The screenshot shows a Microsoft Power BI workspace titled "FeedbackFormDemo1". On the left, there's a sidebar with navigation links: Home, Favorites, Recent, Apps, Shared with me, Learn, Workspaces, and My workspace. The main area displays four cards with data: "Count of Your Experience about Current Delivery by Your Experience about Current Delivery", "Count of Your Experience about Internet Banking Stability by Your Experience about Internet Banking", "Count of Your Experience about Online Payment Method SAM by Your Experience about Online Payment", and "Count of General Experience for Overall Experience". A "Filters" pane is open, showing a search bar and a "Filters on this page" section. To the right, there are three panes: "VISUALIZATIONS" containing various chart icons, "FIELDS" containing a list of fields including "RealTimeData" (with items like "Any Comm..."), and a "Values" section with a "Add data fields here" button. A "DRILL THROUGH" section includes "Cross-report" (set to "off"), "Keep all filters" (set to "On"), and a "Add drill-through fields here" button. At the bottom, there are navigation buttons for "Page 1", "Page 2", and a plus sign, along with a "Get data" button. A "Save your report" dialog box is centered over the workspace, prompting the user to enter a name for the report, with "FeedbackFormDemo1Report" typed in. The "Save" button is highlighted in yellow.

The screenshot shows a Microsoft Power BI report titled 'FeedbackFormDemo1Report'. On the left, there's a navigation bar with links like Home, Favorites, Recent, Apps, Shared with me, Learn, Workspaces, and My workspace. The main area displays two visualizations: a line chart titled 'Count of Your Experience about Internet Bandwidth Stability by Your Experience about Content Delivery' and a gauge chart titled 'Count of Overall Experience and First Overall Experience'. A blue arrow points from the line chart towards the gauge chart. The line chart has three data points: 'Good' at 1, 'Excellent' at 3, and 'Fair' at 4. The gauge chart has a scale from 0 to 16, with a value of 8 indicated. To the right of the visualizations, there's a 'Filters' section with a search bar and two dropdown menus: 'Count of Your Experience about Internet Bandwidth Stability is (All)' and 'Your Experience about Content Delivery is (All)'. At the bottom, there are buttons for 'Get data', 'Page 1' (which is selected), and 'Page 2'.
